

# Oregon Symphony 2010/11 Kinderkonzert & Young People's Concert Order Form

Please complete both pages of this order form and mail or fax to the Symphony office (see 2nd page).

## How to calculate the cost for your concerts

1. Using the attached or online worksheet, determine how many students will attend each concert.
2. Apply your school's free & reduced lunch percentage to determine the number of free/paid tickets.
3. Multiply the number of paying students by the ticket cost. Put this amount in the total cost column.
4. Determine how many chaperones will attend (1 per 10 students suggested), and find out the total number of seats your group will need.
